

INTELLIGENT MOTION

ASX 5

THE BEST DRESSED CROSSOVER

TAKING THE ASX 4WD TO A WHOLE NEW LEVEL

Smart, well-equipped, well-priced, rewarding to drive and very, very easy to live with, little wonder that the Mitsubishi ASX 4WD is a crossover vehicle with plenty of fans, and the ASX 5 gives you even more to love: its generous interior has been dealt a level of attention which elevates pampering to an art form.

Both front and rear seats are heated and dressed in sumptuous, generously padded leather from one of the most technologically advanced manufacturers in the world; furthermore it comes in a choice of three colours. These are complemented by matching trim on the doors and, of course, on the floor mats. The enhanced LED interior lighting package is a cool, moody blue, the sound system has been upgraded, and twin USB charging sockets provide optimum rear seat entertainment potential.

ASX 5 is available in all standard ASX 4WD exterior colours.
